26 EXT. RICK'S HOME - EVENING

Morty walks out of the front door hands up and heads to the cops.

MORTY
I can't get him to come out.

Morty shrugs and heads to the car.

OFFICER 1

Rick! You coming out?

We stare at the front door for a moment in silence. Then **MUSIC** starts playing from Rick's stereo. This pisses the police off.

OFFICER 1 (CONT'D)

I'm going in-

OFFICER 2

Wait!

As William "Poogie" Hart's voice begins saying "Hey! Love," an actual ALLIGATOR slowly crawls out of the front screen door.

As we watch this beautiful creature crawl out, we cut to people's faces: Morty, Jesse, the kids, the neighbors, and the police. Everyone watches this odd, yet beautiful sight. One kid is filming it.

The alligator slides into the woods and everyone is in awe. The moment is over.

OFFICER 1

Where's Rick?

HARD CUT TO:

27 EXT. STREETS - EVENING
Rick, in a robe, is running down the street.
